The Honorable Tom Cole
Chair
House Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the \$1,000,000 project in Fiscal Year 2027. The entity to receive funding for this project is the City of Amsterdam located at 61 Church Street, Amsterdam, New York, 12010. The funding would be used for demolition and construction of a new public works building.

The project is an appropriate use of taxpayer funds because a functional public works building is key to maintaining and improving essential community services including road maintenance, facilities management, snow removal, clear signage, and providing clean water.

The project has a federal nexus because it is authorized under section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Paul D. Tonko".
