The Honorable Tom Cole
Chair
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Amsterdam Harrower Sewer Extension project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Amsterdam located at 283 Manny's Corners Road, Amsterdam, New York 12010. The funding would be used for extension of the town sewer collection system.

The project is an appropriate use of taxpayer funds because continued failure of on-site septic systems poses environmental, health and safety concerns.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Paul D. Tonko".
