

# *Inflation Reduction Act benefits are available to you!*

Congressman Paul Tonko is holding a virtual workshop to provide information on how eligible individuals can access financial benefits from the Inflation Reduction Act (IRA) through the EmPower+ Program.

EmPower+ helps low and moderate-income households save money on energy bills. Through this program, eligible New Yorkers can receive:

- ✓ No-cost comprehensive home energy assessments
- ✓ No-cost direct install improvements
- ✓ Funding toward the cost of energy efficiency improvements

**WHEN:** Tuesday, October 22nd at 6:30PM
