The Honorable Tom Cole
Chair
House Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Critical High Need Medical Equipment for Schenectady County project in Fiscal Year 2027. The entity to receive funding for this project is the County of Schenectady, New York located at 620 State Street Schenectady NY 12305.

The funding would be used for critically needed medical equipment in the health care delivery areas of pre-natal care, primary and preventative care, and oral health. The project is an appropriate use of taxpayer funds because the investment in medical equipment would help provide quality health care to underserved populations in Schenectady County.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Paul D. Tonko".
