The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of Scotia clean water infrastructure project in fiscal year 2027. The entity to receive funding for this project is the Village of Scotia, located at 4 N. Ten Broeck Street, Scotia, New York.

The funding would be used to make improvements to the Village's drinking water system, including replacing sections of original cast iron piping and control valves that are severely deteriorated and have reached the end of their useful life. This project will help protect the health and safety of Village residents.

The project has a Federal nexus because the funding is provided for the purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Paul D. Tonko".
