The Honorable Kay Granger  
Ranking Member  
House Committee on Appropriations  
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Municipal Floating Solar Demonstration Project in fiscal year 2022. The entity to receive funding for this project is the City of Cohoes, located at 97 Mohawk Street, Cohoes, New York 12047.

The funding would be used to support the engineering, procurement, and construction of a 3.2MWdc Floating Solar demonstration project at Cohoes City Hall to generate 100 percent of the municipal facilities' energy demands and use the additional capacity to address economic and environmental justice issues in the city.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Paul D. Tonko".
