

Small and Disadvantaged Business Utilization (OSDBU) Resource List

Congressman Paul D. Tonko New York's 20th Congressional District

Thank you for contacting me in reference to economic development and assistance for small businesses. As your voice in Congress, I have strongly supported programs and efforts designed to foster growth in the small business sector.

Offices of Small and Disadvantaged Business Utilization (OSDBU) are advocacy and advisory offices within federal departments and agencies, responsible for promoting the use of small, small disadvantaged, 8(a), women-owned, veteran-owned, service-disabled veteran-owned, and HUBZone small businesses within the department or agency's acquisition process. OSDBUs advise on all matters related to small business and collaborate with leadership to maximize opportunities for small businesses in acquisitions.

In an effort to be of assistance, I have compiled this list of Offices of Small and Disadvantaged Business Utilization (OSDBU) across the federal government. I hope this information is helpful. If my office can be of any further assistance, please feel free to contact my Senior Economic Development Advisor, Marilyn J. Smith, in my Albany office at 518-465-0700 or by email at: marilyn.smith@mail.house.gov.

Sincerely,

A handwritten signature in blue ink that reads "Paul D. Tonko".
