

Small Business Resource List

Congressman Paul D. Tonko New York's 20th Congressional District

Thank you for contacting me in reference to economic development and assistance for small businesses.

As your voice in Congress, I have strongly supported programs and efforts designed to foster growth in the small business sector. The 20th Congressional District has many resources available to the small business community including private lenders, small business loan programs, government resources and local chambers of commerce.

It is important that we foster partnerships consisting of federal, state and local resources to assist small business owners in our community. In an effort to be of assistance, I have compiled this list of small business resources. I hope this information is helpful.

If my office can be of any further assistance, please feel free to contact my Senior Economic Development Advisor, Marilyn J. Smith, in my Albany office at 518-465-0700 or by email at: Marilyn.Smith@Mail.House.Gov.

Sincerely,

A handwritten signature in blue ink that reads "Paul D. Tonko".
